MAY INSTAL WOMEN AS CHURCH DEACONS

Vote of Presbyteries to Be Taken on the Question.

Winona Lake, Ind., May 26.—Scriptural quotations were passed back and forth to-day as the commissioners to the 133d General Assembly of the Presbyterian Church in the United States of America attempted to establish how much of a part women are to be given in ecclesiastical government.

A decision was finally reached to allow the presbyteries of the church to take a referendum vote on the question of al-

The proposal that women be permitted to fill the office of deacon brought a protest from Rev. Abraham Latham of Chester, Pa. He quoted from the Book of Acts. which he said the Twelve Apostle in which he said the Twelve Apostles in calling for the appointment of deacons gave this injunction to the Dis-ciples: "Look ye out, therefore, breth-ren from among seven men of good re-port, full of the spirit and of wisdom whom you may appoint over this business."

We have this for our guide, brethren," declared the Rev. Lathem, "and I

A generous round of applause greeted
this quotation, but immediately there

were counter quotations from a commissioner, who found his inspiration in the Epistle of the Romans. He quoted: "! command unto you, Phebe, our sister, who is a deaconess of the church that is at Cenchree, that ye receive her in the Lord, worthily of the saints, and that ye assist her in whatsoever matter she may have need of you. For she herself also hath been the helper of many and of mine own self."

Cheers greeted the quotation and a tribute by the Rev. David Hughes of Baltimore to the deaconess in his church brought forth shouts of approbation.

The Assembly worked swiftly to-day and completed consideration of all reports of standing committees. Resolutions were passed asking the United States Government to find ways to prevent transfer of liquor from this country to non-Christian lands.
